

## BIOGRAPHY

Nevena Novaković is an architect and assistant professor at the University of Banja Luka, Faculty of Architecture, Civil Engineering and Geodesy. Her research is focused on the 20th-century urban design theory and contemporary theory on urbanisation and urban form. She holds a doctoral degree from the Faculty of Architecture, University of Belgrade (2014). She is one of the editors of the book series *Reviews of Sustainability and Resilience of the Built Environment for Education, Research and Design* published by TU Delft Open, and recently published *The Way to a Home. Eight stories on residential architecture*, and is currently the editor of the scientific journal *AGG+*. He is a member of the founding board of *Do.co.mo.mo.* Bosnia and Herzegovina, a national section of the international organisation for documenting, promoting and preserving the heritage of modern architecture.
